

Petroliana.co.uk - Book 2 Order Form

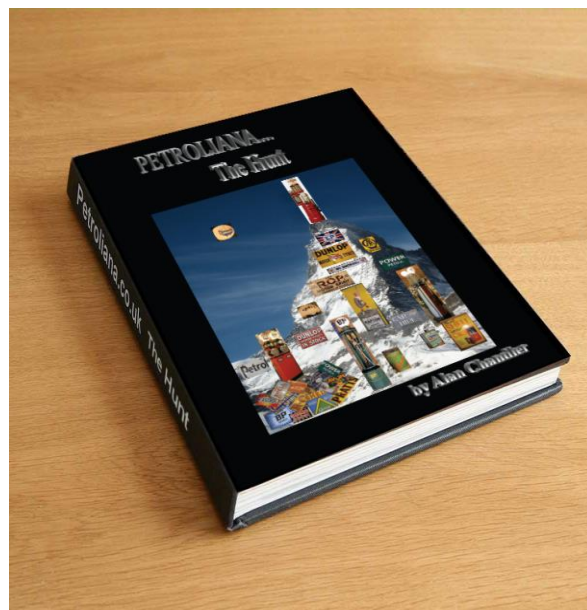

Thank you for your interest in
PETROLIANA BOOK 2 – The Hunt.

Alan's second book in the Petroliana series gives us an intriguing insight into the multi faceted world of the dedicated collector. Each of the 14 chapters aims to discover the passions and motivations of the various individuals as well as showing us the fruits of their endeavours. Even though there are many different characters in the book we find they are all driven by a labour of love, which is defined as much by difficulty as by success.

Once again Alan has given us something we can savour, which will appeal to both collectors and non-collectors alike. A worthy successor to the first book.

This is a LIMITED QUANTITY publication in FULL COLOUR of 130 PAGES.
